Alta Gracia - Cordoba, Argentina

(+54) 9 3547570006

PROFESSIONAL PROFILE

Full Stack Developer with experience in developing comprehensive web applications. Specializing in Front-end, creating attractive and functional user interfaces, and Back-end, implementing databases and business logic. Knowledgeable in agile methodologies, Git, data structures, and algorithms. Experienced with technologies such as HTML, CSS, JavaScript, React, Next.js, Nest.js, Node.js, Docker, and both SQL and NoSQL databases. Strong skills in problem-solving, effective communication, and quick adaptation to new technologies. Advanced English (C2) oral and written.

PROFESSIONAL EXPERIENCE

Full Stack Web Developer – Sake Sushi

Jan 2024 - Apr 2024 (Freelance)

Development of a comprehensive web platform with two main components:

- Client Side: Allows users to register, log in, and place orders easily and efficiently.
- Dashboard Side: Provides complete management tools for controlling a gastronomic venue, including inventory management, order tracking, and payment administration.
- This solution enhances the customer experience and optimizes business management.
- Technologies: Next.js, Redux, TypeScript, Nest.js, MongoDB.
